International Transcript Evaluation

All international transcripts must be submitted to an approved, accredited independent evaluation agency prior to submission. A list of acceptable foreign credential evaluation services is available through National Association of Credential Evaluation Services (NACES). Be sure to request a detailed course-by-course evaluation showing all course titles, credit hours, grades, recommended United States degree equivalency, grade point average (GPA) and date of degree conferral.

English Language Test Scores Requirements

Submission of the results of the Test of English as a Foreign Language (TOEFL), academic International English Language Testing System (IELTS), or the Pearsons Test of English (PTE) academic is required of applicants who are not citizens of countries where English is the official language (PDF). Exceptions to this policy may be granted to applicants who hold a(n) associate's, bachelor's, master's, or doctoral degree:

- From an institution in which English is the language of instruction and the official language of the country in which the university is located; or
- From an accredited institution (PDF) by a U.S. regional accrediting agency.

English language test scores (TOEFL, IELTS, and PTE) may not be more than two years old. To ensure TOEFL scores are sent to GW, please use institutional code 5246. An institutional code is not required to send IELTS or PTE scores.

To be considered for admission, the minimum required scores are:

- **TOEFL**
  - Online Program Applicants: Paper-based – 600; Internet-based – 100
- **IELTS**
  - On-Campus Program Applicants: 6.0 overall, with no band score below 5.0
  - Online Program Applicants: 7.0 overall, with no band score below 6.0
- **PTE**
  - On-Campus Program Applicants: 53
  - Online Program Applicants: 68
- **Duolingo English Test** - We are temporarily accepting Duolingo English Test (DET) scores for Fall 2020 and Spring 2021 applications.
  - On-Campus Program Applicants: 110
  - Online Program Applicants: 120

Students with scores below the minimum required may be eligible to apply to the program with an additional requirement to take Applied English Studies courses.

English for Academic Purposes

Some students are required to register for an English for Academic Purposes (EAP) course in their first semester at GW. The required course will be indicated in the student’s letter of admission. Those who are assigned EAP courses should anticipate additional tuition expenses as well as a possible extended period of time required to complete their degree.

Students with minimum English language test scores or higher are exempt from the EAP course requirement:

- **TOEFL**
  - Paper-based – 600
  - Internet-based – 100
- **IELTS**: 7.0 overall, with no band score below 6.0
- **PTE**: 68
- **DET**: 120

Regardless of your test score, the College retains the right to require an EAP (English for Academic Purposes) course during your first term of enrollment if it is deemed necessary by the admissions committee.

- International students should also be sure that this matches the name on the passport.

My Contact Information

- If your address changes, please notify the office of admissions; applicants who are offered admission will receive their official offer letter in the mail, along with important documents for their program.
